

# Has your child had their hearing tested?

**NHS**  
South Warwickshire  
University  
NHS Foundation Trust

Did you know your child is entitled to a free hearing test when they are in Reception class?

Below are just a few of the signs that a child may be struggling with their hearing:

- They do not reply when you call them
- They talk very loudly
- They ask you to repeat yourself a lot or respond differently / inappropriately to what you have asked
- They increase the volume on TV/devices etc.
- They appear to daydream a lot
- They are slow to learn to talk/unclear when talking
- They get frustrated/aggressive frequently

Whether your child is showing signs of hearing loss or not, it's still a good idea to come along to one of our clinics, where our NHS trained team members, can test your child's hearing.
