

26<sup>th</sup> November 2021

Dear Parent / Carers,

We are nearly in December and we have had a very busy couple of weeks. Last week we looked at being kind as part of Anti-Bullying week and we also joined in lots of nationwide fun as part of Children in Need. We were thrilled to raise £830 - thank you so much for your donations. Well done to our Pudsey raffle and treasure hunt winners too. This week in our assembly, we have been thinking about being thankful and making sure we say thank you throughout the day.

## COVID 19

Again we are grateful for your ongoing patience and co-operation as we continue to work together to keep our school community safe. We are now seeing children develop the usual winter illnesses and would like to re-iterate that children who are unwell should remain at home and that anyone displaying symptoms of COVID 19 should isolate and take a PCR test. Further details on COVID 19 can be found on our website where there are links to order both PCR and Lateral Flow tests. We are continuing to follow advice from relevant agencies and have enhanced ventilation and cleaning in place. As we approach the Christmas holidays we need to continue to remain vigilant and continue to work closely together in order to keep cases as low as possible.

## PTA

Friday 3<sup>rd</sup> December will be a non-uniform day. Further details will be sent out next week.

## Behaviour on school site

As a school we focus very much on positive relationships, our school rules reflect this and we have a great emphasis on being kind. As adults we have a huge part to play in this as we are the role models for our children and as a school we expect parents and other visitors to always behave in a reasonable way towards all members of the school community. Unfortunately, we have had some isolated incidents in recent weeks where this has not happened and the behaviour of some people on site has fallen below that which we are willing to accept. As a school we will not tolerate this, it can be very upsetting for all involved and particularly for any children who are present. Should you need some support in addressing an issue that may be causing you concern, then please contact school in the first instance.
