

5th November 2021

Headteacher: Mrs G. Franklin

Dear Parents and Carers,

I wanted to write to you to thank you for all for your support during the first half term in Year 2. The children have really settled in and are making superb progress. As the children progress through Year 2 the amount of homework the children receive will increase. Please encourage your child to complete the homework that is set. If you have any queries, please feel free to talk to your child's class teacher.

Homework Project: A project will now be set once every half term for the children to complete over a period of weeks at home.

High Frequency Words: A list of high frequency words will be sent home for your children to read. The children could use it for a bookmark too! If they really want to challenge themselves further, they could also learn how to spell the words. Once your child can read all the words, they will be given the next list of words to learn.

Times Tables: Your child will be bringing home times tables to learn each week. Please support your child in learning them ready for a weekly test in school on a Monday morning. Please encourage your child to be able to say them back to you quickly, as well as record the answer on paper.

Thank you for your continued support.

Kind regards

Mrs Stevens

Year 2 Leader
